Google and Skybox Imaging Sign Acquisition Agreement

MOUNTAIN VIEW, CA – JUNE 10, 2014— Google Inc. (NASDAQ: GOOG) announced today that it has entered into an agreement to buy Skybox Imaging for $500 million in cash, subject to adjustments.

Skybox’s satellites will help keep Google Maps accurate with up-to-date imagery. Over time, we also hope that Skybox’s team and technology will be able to help improve Internet access and disaster relief — areas Google has long been interested in.

The transaction is subject to customary closing conditions, including the receipt of regulatory approvals in the US.

About Google Inc.

Google is a global technology leader focused on improving the ways people connect with information. Google’s innovations in web search and advertising have made its website a top internet property and its brand one of the most recognized in the world.
